WHAT WE DO

The Equality Commission provides support to employers on employment equality matters; we assist employers to comply with equality legislation and promote best practice.

Last year, we met with over 500 employers and dealt with almost 5,000 employer telephone enquiries; our enquiry line staff are available to speak with you.

KEY EMPLOYER PUBLICATIONS

- **Codes of Practice:** Disability, Equal Pay, Fair Employment, Race Equality, Sex Equality
- **Employer Guides:** Unified Guide to Equal Opportunities, Sexual Orientation, Age Discrimination, Step by Step Guide to Monitoring, Article 55 Review - Guide to Completing
- **Employer Briefings and Model Policies:** Equal Opportunities, Harassment & Bullying in the Workplace, Recruitment Advertising: Good Practice, Employing Migrant Workers

HOW WE CAN HELP YOU

Enquiry Line Service: for free advice on equality in your organisation, employment practices, procedures and current best practices.

Codes of Practice, Guides: we provide a range of useful publications, covering key areas of equality.

Employment Policies: a range of model employment policies are available on our web site; we can provide advice on tailoring these policies for your needs and can review your existing employment equality policies.

Training Courses: we deliver free training courses, seminars and workshops covering a wide range of employment equality issues (www.equalityni.org/training).
